

## Gunzi FlowGo & Gunzi GoGo

Gunzi FlowGo and Gunzi GoGo are the two latest games of Gunzi-Unlimited.

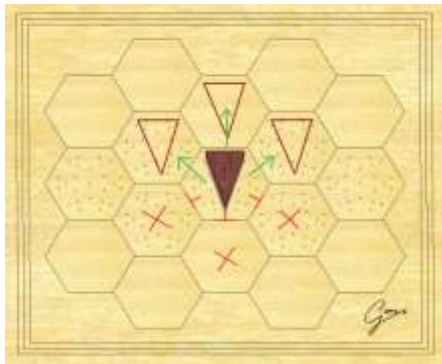

The game is played on a Gunzi-board with Gunzi wedges by two players, who have to make a move in turn.

They start with five wedges for each player as shown in the starting position picture. **Black begins**

**Aim of the game** is to make sure that the opponent is the first to be unable to make a move.

Starting position

The three possible FlowGo's

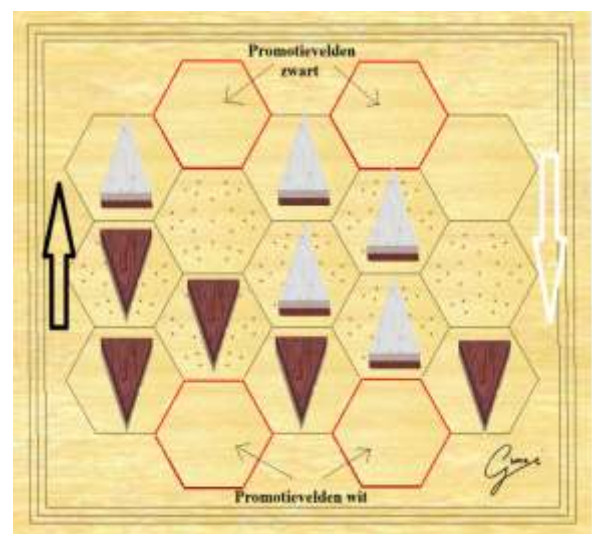

**Gunzi FlowGo** has only one type of move; You shift your wedge to an empty, adjacent field straight or sloping forward. This movement we call a FlowGo

A player whose turn it is, and cannot make a FlowGo, loses the game.

The other one Is the winner.

You can, with the same starting position also play the variant game Gunzi GoGo

**Gunzi GoGo** is played the same way as Gunzi FlowGo, but in this game you can also win, when you are the first who established two GoGo's
