

Gunzi SlowGo & Gunzi GoGo are the two latest games of Gunzi-Unlimited.

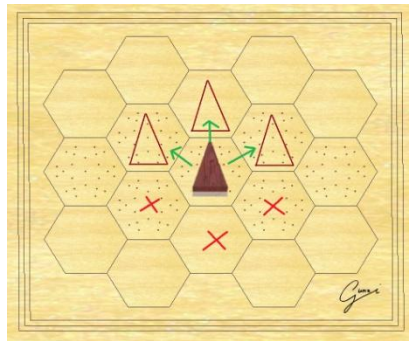

Gunzi SlowGo is played on a Gunzi-board with Gunzi wedges by two players, who have to make a move in turn. They start with five wedges each as shown in the starting position picture alongside.

Black begins

Starting position

Aim of Gunzi SlowGo is to make sure that the opponent is the first to be unable to make a move.

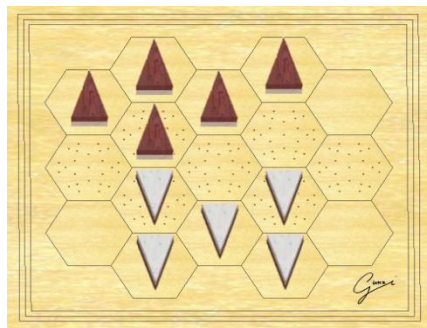

The three possible SlowGo's for the black wedge.

Gunzi SlowGo has only one type of move; You shift your wedge to an empty, adjacent field straight or sloping forward. This specific move we call a SlowGo.

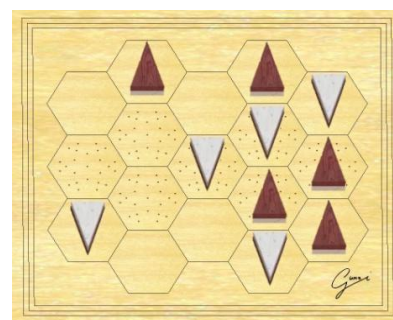

A player whose turn it is, and cannot make a SlowGo, loses the game.
The other one Is the winner.

It's black's turn

White wins because all black wedges are on the other side of the board. There is no possible move for black

It's blacks turn

White wins because The 3 black wedges are closed in by white wedges. There is no possible move for black
